Operative C.Morgan

Re: Pearl Behmer and Elizabeth Britton.

This A.M. operative went to Mr. Manucuso's place of business at 159 Burnet St. but found the place closed. Operative spoke to a colored man, who stated that Mr. Manucuso drove an auto truck and the best place to see him would be at the Erie Freight Station in New York. Operative then proceeded to 24 Haydock St., Rahway, N.J. the home of Mrs. Manucuso, but could not find her in. Mrs. Manucuso is Pearl Behmer's sister and Mr. Mancuso is her brother-in-law.

Operative left Rahway and went to the home of D.D. Britten, 296 Ridgewood Ave., Newark, N.J. and there spoke to Mr. Britton, who stated that his daughter Mrs. Elizabeth Allen is living on Washington Ave., Belleville, N.J. over a store (he did not know the address).

Operative then went to New York City and to the Erie Freight Station where the produce is received. Made inquiries for "Shapiro Brothers truck" but no one knew where it was to be found.

Operative then returned to Rahway and found Mrs. Manucuso at home. Inquired for her sister, Pearl Behmer, and asked if she had ever left any papers or letters with her. Mrs. Manucuso stated that Pearl never received any letters while she lived at 159 Burnet St. She further stated that after she got Pearl out of the House of Good Sheppard she lived with her and if any letters came to the house for Pearl she would know it.

Operative asked Mrs. Manucuso if she has an Aunt and she replied that she has not. She stated that after moving from New Brunswick to Rahway Pearl went to live with a family named Warner who lived next door at 161 Burnet St. This was about 2 years ago. Mrs. Manucuso then stated that for a while Pearl used to come to her home on Saturday evening and remain until Sunday evening, then for a long while she did not come to see her and she does not know what became of her. She further stated that two men called at her home about 3 weeks ago and asked her if she knew where Pearl could be located and she was not able to tell them.

Operative then returned to New Brunswick.

Respectfully submitted:

C.M.
